

WIKI/SVN accounts

If you don't have an account at the the faculty of computer science you must ask for a **WIKI/SVN account** to be able to participate to the cooperative tools provided by the Faculty.

To do so you must download the [WIKI/CVS/SVN usage agreement](#) and the [rules for accessing the network](#), sign them, and send them by fax to +39-0471-016-009 along with a copy of a photo-id. Then you have to send a [mail to us](#) with your desired login and the name of the referent member of staff at the Faculty of Computer Science. We will contact you providing you with a password.
