Dear Users,

It is now about 3 months since we started the Faculty of Computer Science Wiki.

What is a Wiki?

A Wiki is a type of website that allows users to add and edit content and is especially suited for constructive collaborative authoring.

Where do I find the Faculty of Computer Science Wiki?

On the main Faculty of Computer Science Website on the right menu you find a link to the Wiki: → http://www.unibz.it/inf/it/index.html?LanguageID=EN Faculty IT Centre

Here is direct link to the Wiki: https://wiki.inf.unibz.it/index.php/Main_Page

To login use your Windows Username and Windows Password.

What is the Faculty of Computer Science Wiki all about?

The Wiki contains mainly Technical Information, e.g. Server Specification, Infos regarding Printers, but also General Information about the Faculty of Computer Science, e.g. Computer Layout of the PC Labs E331, E431 and E531; Office Layout of the POS Building;

Please note that some areas are restricted!

IMPORTANT NOTE:

If you find that something is missing/wrong, please let us know!

Thanks very much!

Kind Regards,

The CS-Tech Team
